Angeles,

Along with the talking points I provided on Friday, attached is an agenda for the briefing with Enrique. I also have attached an updated version of the CI letter to the Navy.

Unfortunately, Mike A cannot attend tomorrow's discussion. I will send these to Enrique tonight, unless I hear differently from you.

I updated the talking points to address Laura's email, plus the original ones provide to EM (again).

New information from Laura will lead to some changes to the TPs. I'll get it back to folks tomorrow.

Angeles,

Attached are the talking points for Enrique's forthcoming discussion with Laura. That meeting has not been scheduled. I also attached the previous talking points (as a PDF), which might still be helpful.

I understand Enrique would like a team meeting, so I will work with Maria G to schedule something.
